Hi,

Just to let you all know that Pieter was able to preach this morning. It was hard and he did not feel great but by God's grace he managed. He is back in hospital and is improving a little everyday. He is hoping to be home tomorrow, at the latest Tuesday.

Thank you all again for your prayers!

Hi all,

On behalf of Pieter I would just like to thank you all for your prayers. He was admitted to hospital yesterday as his white blood cell plus platelet counts were dropping. The Doctor said he needed to go onto a steroid drip for a few days to boost his system, plus a whole lot of other things judging from all the bottles they are adding to his drip. I have just got back from seeing him this morning and he is already feeling and looking better. He still has fever, body aches and severe headaches but not as bad as it was earlier. He has what they call viral fever, which is something from mosquitoes but as there are so many strains they don't bother trying to identify which one it is nor can it be treated, they can only treat the symptoms which is what they are doing.

He has been given permission to escape the hospital for a few hours tomorrow morning so that he can preach. Please pray that he will be able to stand, speak and not have a fever attack during that time. We thank God that He has heard all our prayers and has answered them the way He has.

Dianne

*Romans 1:16-18*

*(16) For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek.*

*(17) For in it the righteousness of God is revealed from faith for faith, as it is written, "The righteous shall live by faith."*

*(18) For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who by their unrighteousness suppress the truth.*
