

SOLA 5 E-NEWSLETTER

an association of God-centred evangelicals in southern Africa

No 19-2010

15 July 2010

Hi everyone

There is a church building for sale in Dalpark Ext. 1 (behind Koko's ten pin bowling) which would be very suitable for us (see photos in the PDF). They are only asking R900 000 for it! Several groups have looked at it and the first one to come up with the money will get it.

All of our leadership who have seen it agree that we must move on this.

The purpose of this email is to ask you to pray and to find out if you can help us raise the money quickly (by loan or donation). Please let me know.

Thanks for whatever you can do.

Serving Christ's Kingdom,

Jeffrey Gage
